

Variable Name	Description
TRACTID	Census tract ID
Time1_pct_whiteNONhisp	Percentage of the census tract reported white non-Hispanic
Time1_pct_blackNONhisp	Percentage of the census tract reported Black non-Hispanic
Time1_pct_hisp	Percentage of the census tract reported Hispanic/Latinx
Time1_race_eth_cat	Race/Ethnicity categories as mapped 0=majority of tract white 1=30-50% of tract Black 2=>50% of tract Black 3=30-50% of tract Hispanic/Latinx 4=>50% of tract Hispanic/Latinx 5=>30% of tract Black and >30% Hispanic/Latinx
Time1_pctHOUSE_below60k	Percentage of households in census tract below \$60k annual income
Time1_household60k_cat	Categories of above variable as mapped: 1=37.1% and under 2=37.2% - 62.6% 3= greater than 62.7 %
Time1_PCTFamPoverty	Percentage of families in census tract in poverty
Time1_fampoverty_cat	Categories of poverty rates as mapped: 1= less than 10% 2= between 10% and 30% 3= greater than 30%
Time1_OB_rate	Obesity Rate (proportion of CM primary care patients with obesity)
Time1_OB_cat	Obesity Rate categories as mapped: 1=13% and under 2=13.1%-20.9% 3=21.0%-27.0% 4=27.1%-34.6% 5=greater than 34.6%
Time1_OVOB_rate	Overweight/Obesity Rate (proportion of CM primary care patients with overweight or obesity)
Time1_OVOB_cat	Overweight/Obesity Rate Categories as mapped: 1=28.6% and under 2=28.7%-37.6% 3=37.7%-45.5% 4=45.6%-54.8% 5=greater than 54.8%
Time1FoodAccess	Food access: 1=low access at ½ mile and low access at 1 mile 2=low access at ½ mile and access at 1 mile 3=access at ½ mile
Time1_region_walkability	Walkability Score for region (1-20)
Time1_walkability_cat	Walkability as mapped: 1=most walkable 2=above average walkable 3=below average walkable

	4=least walkable
Time2_pct_whiteNONhisp	Percentage of the census tract reported white non-Hispanic
Time2_pct_blackNONhisp	Percentage of the census tract reported Black non-Hispanic
Time2_pct_hisp	Percentage of the census tract reported Hispanic/Latinx
Time2_race_eth_cat	Race/Ethnicity categories as mapped 0=majority of census tract white 1=30-50% of tract Black 2=>50% of tract Black 3=30-50% of tract Hispanic/Latinx 4=>50% of tract Hispanic/Latinx 5=>30% of tract Black and >30% Hispanic/Latinx
Time2_pctHOUSE_below60k	Percentage of households in census tract below \$60k annual income
Time2_household60k_cat	Categories of above variable as mapped: 1=37.1% and under 2=37.2% - 62.6% 3= greater than 62.7 %
Time2_PCTFamPoverty	Percentage of families in census tract in poverty
Time2_fampoverity_cat	Categories of poverty rates as mapped: 1= less than 10% 2= between 10% and 30% 3= greater than 30%
Time2_OB_rate	Obesity Rate (proportion of CM primary care patients with obesity)
Time2_OB_cat	Obesity Rate categories as mapped: 1=13% and under 2=13.1%-20.9% 3=21.0%-27.0% 4=27.1%-34.6% 5=greater than 34.6%
Time2_OVOB_rate	Overweight/Obesity Rate (proportion of CM primary care patients with overweight or obesity)
Time2_OVOB_cat	Overweight/Obesity Rate Categories as mapped: 1=28.6% and under 2=28.7%-37.6% 3=37.7%-45.5% 4=45.6%-54.8% 5=greater than 54.8%
Time2_residual	Residual value, or difference between expected and observed obesity rates
Time2_resid_cat	Residual values as mapped: -2= >8% less obesity than expected -1=3.7% less obesity than expected 0=no difference (between -3 and 3% difference in obesity) 1=3.7% greater obesity than expected 2=>8% greater obesity than expected
Time2FoodAccess	Food access: 1=low access at ½ mile and low access at 1 mile

	2=low access at ½ mile and access at 1 mile 3=access at ½ mile
Time2_region_walkability	Walkability Score for region (1-20)
Time1_walkability_cat	Walkability as mapped: 1=most walkable 2=above average walkable 3=below average walkable 4=least walkable
Number_of_parks	Number of parks in census tract
NParks_cat	Number of parks as mapped: 0= 0 parks in tract 1= 1 park in tract 2= 2 parks in tract 3= 3+ parks in tract
Park_acres	Acreage of parks in census tract
